## What's New With Karen

Welcome to December. I love December. I love Summer. I love Christmas. I love spending time with loved ones. I love anticipating some down time. Many of us are looking forward to Christmas 2021 even more so than in past years (*due to surviving through a lot of uncertainty, and challenges during the peak of the pandemic*). Australians have a shared experience which has bonded us all. We are relieved & ready to embrace a time of happiness again. We're standing open armed to share our happiness with others also. More than ever, it's now a new opportunity to spread a message of joy and hope to the world. And what better way to do this than to fill our own cups with joy, so that joy can overflow on to others. Joy! It's only 3 letters but I love the word. The word makes me smile. It fills me with hope. It gives a spring in my step. It uplifts my spirit. Joy can be with us every day of this month if we make a decision to start our days with a heart full of it. With Christmas upon our doorstep may we remember the greatest Christmas currency we can share is in our gift of joy and kindness! Be Filled with Joy! Be Kind! Share your Christmas Currency with your Loved ones and the World and let's make our World a Better Place. Love Karen XXX PS Wishing you & your families a safe, peaceful, and joy-filled Christmas!
